

welcome to Colonel Gray High School

INTRODUCTION

Colonel Gray Senior High School is located in Charlottetown, Prince Edward Island and offers a wide range of provincial courses in English and French Immersion as well as the International Baccalaureate (IB) program. Established in 1966 and named after Colonel John Hamilton Gray (former Premier of PEI and chairman of the Confederation Conference of 1864) it is colloquially referred to as "The Gray". Colonel Gray has a multicultural student population of just under 900 students hailing from over 50 countries around the world. The surrounding community boasts many outdoor recreation facilities and parks, a waterfront boardwalk, a diversity of restaurants & shops and the Confederation Center of the Arts is only a short walk away from the school.

SCHOOL MISSION/PHILOSOPHY

We all strive to offer our students a multi-faceted education experience based on Academics, Arts and Athletics, or what we often refer to as our AAA approach to our school. As a Colonel Gray student, you are part of our school community and we welcome the energy and enthusiasm you bring to the building. We hope that you take pride in being a Colonel: a student who supports and stays engaged in school, a citizen who positively leaves a mark on our community and most importantly, a young person who respects and appreciates the great diversity of people at Colonel Gray.
